Volunteering/Service

A team needs a lot of volunteers:

- ⚽ Head and Assistant coach/coaches
- ⚽ Parent ref 6U and 7U
- ⚽ Team photographer, website (Teamsnap), end of season party
- ⚽ Field cleanup/proper use of equipment (don't sit on soccer balls)
- ⚽ Community goodwill (parking, etc)
- ⚽ Picture day
- ⚽ Porta Pottie unlocking and locking
- ⚽ Goal set up and take down

Referees – 6U/7U

- ⚽ Each team provides one referee who takes one of the two fields (7UG should each take one half of the game)
- ⚽ 6U/7U Referee Training
 - Mandatory that each 6U/7U team send one parent/guardian
 - That parent becomes Head Referee for Team
 - New Coaches are welcome, but can not double as referee
- ⚽ Every game refereed by Team's Head Referee or someone they personally trained – best to share the load
- ⚽ Please respect volunteer referees and set positive example for our kids – Ref call is always the “right” call, no matter what

Referees – 8U and above

- ⚽ 8U+ refs are paid
 - Most likely youth refs, so be nice, help them learn
- ⚽ Club committed to referee development – create positive learning environment for them as well
- ⚽ Ref call is always the “right” call, no matter what

Game cancellations

- ⚽ This is a recreational league, and we don't support reschedules in the way most competitive leagues might provide.
- ⚽ If two coaches mutually agree to cancel their scheduled time and play at another time or place, they do that by finding their own referees.

Purpose of SASC Rec Program

- ⚽ *The purpose of Recreational youth soccer in SASC is the development of the soccer playing ability of the child.*
- ⚽ *Safety, fun, excitement, and player skill development are the primary focus of the program.*
- ⚽ *Regardless of the ability of the child, everyone deserves an equal chance to play and to learn in a safe, positive, and supportive environment.*

Positive Parenting

- ⚽ Why do kids love to play?
- ⚽ What is the role of the coach?
- ⚽ How do you create a positive environment?
- ⚽ What is good parent sideline behavior?
- ⚽ Let the coaches coach. Provide positive support, but no sideline instructions
- ⚽ Do the players want a parent or a coach after the game?

PCA Video

(1m30s youtube video by PCA)

What makes a good coach (in the parents' eyes)?

positives:

- ⚽ knowledgeable, right mix between fun and learning
- ⚽ positive attitude
- ⚽ organized & responsive
- ⚽ well prepared practices, kept kids engaged for 60 minutes

negatives:

- ⚽ favoritism – strong players get more playing time, coaches son never subs out
- ⚽ leadership & organization problems
 - “our son’s coach had no idea what to do at practices or games , never had a lineup or knew what to do”
 - “But I want to make sure that the coach is kind and positive. My son is very sensitive and not super athletic. He tries hard and responds to positive encouragement. But our last coach in the spring would yell at him all the time and we had to quit.”
- ⚽ impatient, activities too complicated for age group, overly concerned with discipline
- ⚽ lack of sportsmanship, did not try to manage lopsided game

Rules of Fair Play

In addition to small sided modifications, SASC has the following requirements on Rec games.

1. Every player **must** play at least half of each game he/she attends.
2. The Coach should make each child a “starter” for at least 50% of the games The Coach should strive to put each player in a position to score (i.e., forward or attacking midfielder) at least 50% of the time over the length of the season. Players should NOT be limited to specific positions, even though they themselves may have their initial preferences. Players should be challenged to experience the “total” game of soccer, and play ALL positions.
3. Every player who wants to must have the opportunity to play as goal keeper at least ½ a game during the season.
4. Coaches are **expected to make adjustments** when team is leading by 2 goals

SASC Modified Laws

- ⚽ http://sunnyvalesoccer.org/general/rec_rules.shtml
- ⚽ Familiarize yourself with the rules specific to your age group
- ⚽ No coed teams
- ⚽ No playing down an age level unless you provide proof of a medical condition

Safety & Risk Management

Safety & Risk Management

Concussion Action Plan (US Soccer & CDC)

If you suspect an athlete has a concussion:

- ⚽ Evaluation by experienced health care professional
- ⚽ Keep from play until OK from health care professional
- ⚽ "It's better to miss one game than a whole season"
- ⚽ <http://www.cdc.gov/headsup/>

Slide Tackling

⚽ No slide tackling is permitted in SASC Rec soccer up to and including the 10U age group. In 12U, only 'clean' slide tackling is allowed. Any attempt to slide tackle with cleats up, or using both feet, or from behind will result in a yellow card. Any hard or dangerous contact with an opponent is a red card.

Smoking and Youth Sports

- ⚽ It's now illegal to smoke or use electronic cigarettes within 250 feet of a youth sports event. And e-cigarettes have been added to tobacco in the laws that prohibit smoking in other places.
