## Competitive Program Refund Policy

Updated June 27, 2020

---

### Fall 2020 Competitive Program Fees Refund Policy

SASC collects a Competitive Program Fee per player per season and a refundable Volunteer Fee. For Fall 2020, there is a required payment plan where the first payment is \$100, which is the first installment of the Competitive Program Fee. Subsequently, the remaining balance is paid in four equal installments charged on August 5<sup>th</sup>, September 5<sup>th</sup>, October 5<sup>th</sup> and November 5<sup>th</sup>.

The Volunteer Fee is described in detail on the SASC web site at <https://www.sunnyvalesoccer.org/general/volunteers.shtml>. If a family leaves the SASC Competitive Program mid-season, in order to receive a refund of the Volunteer Fee, they must still fulfill their volunteer requirements.

All already-collected Competitive Program payments are non-refundable; outstanding payments can be cancelled with notice given no later than the last day of the month prior to the next payment date. Each installment amount roughly corresponds to the fixed costs plus services provided for the installment period. There is no pro-rating of fees based on when the notice is given between installments.

All requests to stop payment and withdraw from the SASC Competitive Program must be made on this form <http://www.sunnyvalesoccer.org/refund>. An email to the player's coach and manager is also appreciated. Once a cancellation/withdrawal request is received and the player is removed from the program, the player can no longer attend training sessions, games, or other SASC activities.

Please note that each team also has a Team Fee that the player is responsible to pay. The Team Fee is set by each team and has its own conditions. Due to financial commitments made by each team to leagues, tournaments, and equipment as teams are formed, it is highly likely that the Team Fee is non-refundable. Contact your Team Manager for more information.
